Thank you for signing up for our Great White Shark dive trip. We pledge to work hard with you to provide you with a vacation which will exceed your expectations and take great care to ensure that every detail of your trip results in the finest traveling experience of your life.

We understand that you have every intention of taking your much deserved vacation but unfortunately, unexpected events may prevent you from beginning or continuing your trip. For this reason, we highly recommend that you protect your investment with traveler's insurance provided by Travel Guard International. Travel Guard offers the most comprehensive insurance protection in the industry. This insurance is primary coverage and there are no deductibles. A policy will provide you with financial protection if you have to cancel your trip, if your trip is interrupted or if an airline or tour operator defaults. It also provides you coverage of up to \$10,000 for medical expenses, \$20,000 in emergency medical transportation, and \$1000 for lost or damaged baggage.

Please sign and return the following release form to our office above.

San Diego Shark Diving Expeditions, Inc. believes that your trip is a significant investment that should be protected. We recommend that you purchase insurance through the Travel Guard International "Cruise Tour and Travel Protection" plan.
